

Stacey Lee

Join Stacey Lee for FIVEAA Afternoons as the award-winning journalist steps behind the mic discussing the latest news as it happens.

With over ten years' experience Stacey will cover all things Adelaide and around the world from health, politics, property, and cost-of-living to food, pets, the arts and local council matters.

Working across Channel 7, Sky News and the ABC Stacey has a rich news background and has reported from China, Korea, Canberra, Perth, Alice Springs and Hobart.

Stacey is the Vice President of the SA Press Club, and co-chair of the SA Mid-Winter Ball committee - which has raised more than \$500,000 for South Australian charities.

Away from the microphone Stacey loves exploring SA alongside husband Ben and dog, Murray, and is a massive foodie. If she's not eating her way around the state she's probably planning her next meal, which is easy because we are so spoilt for choice.
